CHAMPAGNES

THE BILLECART-SALMON COLLECTIONS

It all started more than 200 years ago, in 1818 when Nicolas François Billecart and Elisabeth Salmon were married, marking the creation of their Champagne House. This has been a family story since the beginning with Louis Salmon, brother of Elisabeth and a passionate oenologist, getting involved in the creation of the wines.

Thus, over 7 generations, each member of the family has endeavoured to continue the family tradition, staying faithful to the same motto: "Give priority to quality, strive for excellence".

Champagne Billecart-Salmon articulates its champagne production around 4 permanent "Savoir -Faire"
