

## THE FORGOTTEN PROHIBITION CLASSICS

Prohibition in the United States was a nationwide constitutional ban on the production, importation, transportation, and sale of alcoholic beverages from 1920 to 1933.

Not all alcohol was banned; for example, religious use of wine was permitted. Private ownership and consumption of alcohol were not made illegal under federal law, but local laws were stricter in many areas, with some states banning possession outright.

Following the ban, criminal gangs gained control of the beer and liquor supply in many cities. By the late 1920s, a new opposition to Prohibition emerged nationwide. Critics attacked the policy as causing crime, lowering local revenues, and imposing “rural” protestant religious values on “urban” America. Prohibition ended with the ratification of the twenty-first amendment, which repealed the eighteenth amendment on December 5, 1933, though prohibition continued in some states.

In fact, before the passing of the 18th amendment in 1919 and the nationwide ban that went into effect in January 1920 on the sale or importation of “intoxicating liquor,” it wasn’t the mobsters who ran the most organized criminal schemes in America, but corrupt political “bosses,” and then began the rise of the mob kingpins.

The demand for illegal beer, wine and liquor was so great during the Prohibition that mob kingpins like Capone were pulling in as much as \$100 million a year in the mid-1920s (\$1.4 billion in 2018) and spending a half million dollars a month in bribes to police, politicians and federal investigators.

Speakeasies became widespread and popular during the Prohibition years in the United States. Members of organized crime viewed them as a way of making money through ownership and controlling the illegal liquor trade.

This cocktail series is dedicated to the forgotten/lesser known classic cocktails popularized by this era. Most feature modern takes of these classics and some with local twists.

## PROHIBITION INSPIRED BOOZE CRUISES

During Prohibition, people would hop on cruise ships and sail in circles along the coast. Why? The answer is simple: they wanted to drink. Technically, serving alcohol was allowed since these cruises were happening on international waters. Those who lived near the coast were lucky... (the real origins of the “JUNK”)
