CHAMPAGNES

THE BILLECART-SALMON COLLECTIONS

It all started more than 200 years ago, in 1818 when Nicolas François Billecart and Elisabeth Salmon were married, marking the creation of their Champagne House. This has been a family story since the beginning with Louis Salmon, brother of Elisabeth and a passionate oenologist, getting involved in the creation of the wines.

Thus, over 7 generations, each member of the family has endeavoured to continue the family tradition, staying faithful to the same motto: "Give priority to quality, strive for excellence".

Champagne Billecart-Salmon articulates its champagne production around 4 permanent "Savoir -Faire"

RED WINES

THE MONTROSE COLLECTIONS

As the 2nd Grand Cru Classé of the Médoc, Château Montrose's history has been shaped over two centuries by four families sharing the same vision: produce great wines with a virtuous and sustainable model.

Mostly located on « Terrace 4 », the highest quality geological formation in the Médoc, Château Montrose has a unique 95-hectare terroir in a single block. The signature of its terroir reveals itself in the purity of the Cabernet Sauvignons and the majesty of the Merlots with a blend that crafts wines with exceptional ageing potential.

Montrose has been a pioneer since 2007 in sustainable, circular vine-growing practices: CO2 fermentation recovering, vineyard DNA preservation and proper R&D unit working on each impact and anticipating climate change.
