## WINE OF CHINA

Viticulture in China has a rich history, dating back over 2,000 years along the Silk Road. However, the modern wine industry began to take shape with the founding of Zhangyu in 1892. Initially, production was aimed at the domestic market, with limited focus on quality control.

In the past three decades, a significant transformation has occurred in the narrative of Chinese wine. The Ningxia region has emerged as a leading terroir, and a new generation of wineries is now producing award-winning, world-class wines that are gaining recognition on the global fine wine stage.

Principle Regions:

- NINGXIA
- YUNNAN
- SHANDONG
- HEBEI
- XINJIANG
- BEIJING
