WATERFALL BAR TEA SELECTION

Earl Grey 73

Just the right balance between a fine blend of OP, FOP and TGFOP grades from Sri Lanka, South India, Assam. No bitter after-taste from the bergamot oil like other common brands.

English Breakfast 73

Our version of this classic is a finely blended OP, TGFOP and TGFOP1 grade black teas from Sri Lanka, Assam, Kenya. Visually, our blend contains more whole leaves than broken versus other top brands- a sign of uncompromised quality. In terms of taste, you'll notice the smooth after-taste (attributable to the OP grading grade leaves).

Darjeeling 73

Our Standard Darjeeling is the FTGFOP1 second flush, a delicately aromatic brew with a light brown finish.

Chamomile 73

Full leaf blossoms from Egypt. More vibrant, fresh and complexity in character in taste than most top brands.

Peppermint 73

Our Serbian Peppermint has more 'depth', taste more natural and less 'toothpaste-like' compared to other brands.
